TD EVENTS in 2010

JANUARY

- 18 - 22 January: The Regional Training/Workshop on Identification of Deep-Sea Fish
Download Prospectus >>>
- 26 - 27 January: The Regional Seminar on Integrated Coastal Resources Management Approach in Southeast Asia: Review on Project ICRM-SV
Download Prospectus >>>

FEBRUARY

- 8 - 19 February: A Short-term Training Program on Marine Fisheries Resource Surveys, Stock Assessment and Co-management in Thailand
[<<< Year Plan & Report 2010 >>>](#)

Conference on Sustainable Fisheries for Food Security toward 2020
13 - 17 June 2011
Bangkok, Thailand

WSFC
World Small Scale Fisheries Congress
20-24 June 2011, Doha, Qatar

Catalog of Fishes

Publications

DEEP-SEA FISHERY RESOURCES EXPLORATION on the Continental Shelves and Slopes in the Southeast Asian Waters

Now available !

- Catalog of deep-sea fishes from the survey: [Try search the collection database now !](#)
- Draft Report** of the Regional Workshop on the Standard Operation Procedure and Development/Improvement of Sampling Gears, 16-19 May 2009, SEAFDEC/TD, Thailand

ACTIVITIES!

DEEP-SEA FISHES ID WORKSHOP Now!
18-22 January 2010: Regional Workshop on Identification of Deep Sea Fishes in the SCS. [More>](#)

SOP WORKSHOP ended!
16-19 May 2009, Regional Workshop on the Standard Operation Procedure and Development/Improvement of Sampling Gears. [More>](#)

SHIPBOARD/TRAINING PROGRAM ended!
11-25 May 2008, Ship board training/observer program to member countries on deep sea exploration on board research vessels. [More>](#)

Catalog Data

Catalog Number	SEAFDEC00010	
Species	Family	Lophioidei
	Genus	Lophiomus
	Species	setigerus
Standard Length	18.5 cm	
Locality	Brunei Waters	
Sampling date	2008-06-13	
Vessel name	M.V. SEAFDEC 2	
Cruise number	29-2/2008	
Sampling gear	BOTTOM TRAWL	
Sampling Depth (meter)	162	
Number of specimens	1
